

Learn with Rufus

Fun and Games

FOUR GAMES IN ONE!
Have fun playing with the toys from the *Learn with Rufus* educational series!

When the studying is done, or a brain-break is needed, pull this app out for a little fun and frivolity.

One delightful FREE package of games from *Learn with Rufus*:

- *Boys and Girls* - Touch the screen to create glowing rings!
- *Feelings and Emotions* - Create and save pictures with the fingerpainting app!
- *Groups and Categories* - Move a spinning top around the screen!
- *Numbers and Counting* - Pop the balloons before they fly off the screen!

Disclaimer: This app contains the toys only, the complete *Learn with Rufus* apps are sold separately.
